JOYNER HEALTH SCIENCE CENTER

Visit our new facility specifically designed for our well-known veterinary technology and health care professions programs.

The building consists of two floors and encompasses 24,400 gross square feet. Joyner Health Science Center's first floor is occupied by the Veterinary Technology Program, which has just been ranked by TheBestColleges.org as the 40th best Veterinary Technician Program in the U.S. The second floor will house the Allied Health Program. The first floor includes a surgical suite, X-Ray area, an animal dental area, a mock reception area, faculty offices, two general classrooms and a hematology laboratory. The second floor is comprised of three Allied Health classrooms, a computer lab and faculty offices.
